Rimon at Tulane Hillel

This fall, Tulane Hillel will welcome lauded culinary innovator and restaurateur, Chef Dan Esses, who will be opening the restaurant Rimon at The Mintz Center, Tulane Hillel's dining room located at 912 Broadway. Chef Dan is trained in vegetarian, French, Korean cuisine among others, and is known for incredible seasonal, eclectic menus at his New Orleans restaurant Three Muses and the handmade pasta produced through his company Esses Pasta.

The food produced in his kitchen at Rimon will build on the seasonal, farm-to-table, and healthy unique kosher fare that has been served at Tulane Hillel's certified kosher meal kitchen for the past six years. Rimon will offer students wider options in the easy-to-access grab-and-go in addition to prepared-to-order food. The Lavin-Bernick Center Food Court will also offer a variety of Rimon grab and go kosher options for students on the move. Rimon accepts Tulane's Wavebuck\$, meal swipes from the Kosher meal plan, cash or credit and is open to everyone in New Orleans. Visit [Rimon's website](#) to learn more about their food, story, and upcoming events.

The Kosher Meal Plan

The Kosher meal plan provides students with a convenient and delicious option for dining kosher at Tulane. Students who choose this plan will be provided with three meals per day from Rimon, located inside the Tulane Hillel building at 912 Broadway. Students choose from five entrée options and a drink every time they receive a kosher meal at Rimon. The Kosher meal plan provides 15 meals per week, plus Wavebuck\$ to spend at other venues on campus. For more information on Rimon, please visit tulanehillel.org. Students on the Kosher meal plan may purchase additional Wavebuck\$ and NOLAbuck\$ in \$100 increments.
